WATER SPRITES

FREDERICK STANLEY SMITH

The art of letting the fumes flow over the keels is based upon close playing and constant fumes action at the stern, was the domain of the great Young. Try it with wide low black key glides, which is a lot more easily said than done. Play at first as though the currents in the water had very little mass, then increase the tempo until the fluidity flows over the keels. Good 8.

FINAL MOVEMENT

The late George Takei certainly made a special feature in his recitals of this incomparably beautiful piece of music. I like to think some readers have called "Wellington's Dream." He studied almost every beautiful melody from this small but rich book played and played so that his performance became technically automatic in order that the players may thereafter give all attention to phrasing, tone, and expression. (Book 2.)

Musical score for the right page, continuing the arpeggiated patterns with some melodic lines. The score is written in G major and 3/4 time. It consists of 10 staves of music. The tempo is marked *Adagio*. The score includes various dynamic markings such as *pp*, *ppp*, *f*, and *sf*. The piece concludes with a final chord.

THE SKYLARK

Do you see a little lark high in the sky over a golden field of grain dotted with blood-red poppies and supplest blue cornflowers? This tiny making child's place by the great Russian Master is provided for the child if he can remember that the song of the lark comes out of a very big heart. These small pieces must be played with courage of big delivery.

Never before a radio such as this!

The Ten Millionth Philco—*a High Fidelity art masterpiece*—brings the full tones and overtones that distinguish every instrument in an orchestra. You catch every delicate shading in pronunciation passages—hear a fortissimo fade into pianissimo, boom as dissonance. A woman's voice sounds only human, a man sounds like a man—not like a baritone. The Ten Millionth Series is now at your Philco dealer's—and may be purchased on the Philco-Commercial Credit Easy Payment Plan.
